

NORTHWEST NISSAN

supergroup

To whom it may concern,

Subject: Griffin Health and Safety (Pty) Ltd Service Recommendation.

Northwest Nissan approached Griffin Health and Safety in 2016 to assist with its occupational health and safety management, and we have received exceptional services at highly competitive prices since.

Griffin's services on-site include monthly inspections, chairing OHS committee meetings, conducting audits, and assessing contractor compliance with the OHS Act.

The services provided by Griffin enables our management to focus on key tasks while having confidence that we comply with statutory requirements and best practices.

I strongly recommend Griffin Health and Safety's services to potential clients in the motor industry.

Sincerely

Riaan Smith
