RE: Customer Reference – Griffin Health & Safety (Pty) Ltd

Occupational health and safety implementation remains a fundamental element in workplace safety.

Griffin's contribution in recognising job hazards, learning safe work practices and appreciating other preventive measures that can contribute in reducing occupational risk of injury and disease allows us to commit and comply with the Occupational Health & Safety Act. We appointed Griffin to assist us in meeting these kinds of objectives and outcomes. The organisation and its people are organized and communicate the OHS legislative needs and requirements.

Griffin's dedication to health & safety and is evident in our internal audit reports done by the human resource department. We have always received good service from Griffin Health & Safety. Timing and quality have always met my expectations and everything is communicated in a professional and timely manner.

Griffin assists in addressing outstanding matters which strengthens and improve our workplace health and safety.

Kind regards
